

Vision Care Benefits

Through our Blue View Vision benefit, retirees can receive:

- a network that includes over 39,000 eye doctors at more than 38,000 locations nationwide.
- annual routine eye exams.
- access to a generous mix of independent providers and marquee retail locations such as LensCrafters®, Target Optical®, Pearle Vision and online stores.
- a choice of independent optometrists and ophthalmologists.
- money-saving discounts on additional eyewear and accessories.

Extra discounts include up to 40% off an additional pair of eyeglasses, 15% off conventional contact lenses, 20% off eyewear accessories, and special offers on LASIK surgery*

*discounts are based on retail price
